

BOASTING IN THE CROSS ALONE

Galatians 6:1–18

Key Verse: 6:14

1. Why does a person who is sinning need our help? (1a) How does carrying each other's burdens build a healthy Christian community? (2) What is the law of Christ? Think about how pride can be harmful in helping others. (1b, 3-5)
2. Why was it important for the Galatians believers to support Bible teaching and Bible teachers? (6; Lk 10:7, 2 Chr 36:15-16) How do selfish and proud tendencies set people up for their own destruction? (7-8) What is the danger of getting weary in doing good? (9-10) How can we keep sowing generously? (9b; Mt 6:20)
3. What two evil motives did Paul detect in those insisting on circumcision? (12-13) Why are they so dangerous to faith? (Jn 5:44, Pr 29:25) What is the only thing Paul would let himself boast about? (14: Php 3:8) What is the mindset of a Christ-exalting person? (15-18)
