

Trusting in Jesus

Matthew 8:18-27

Key Verse: 26

1. What order did Jesus give to his disciples? (18) Who among the crowd was willing to be a disciple? (19) How far was he willing to go? What does Jesus' reply mean? (20) What can we learn about the cost in following Jesus?
2. What did another disciple want to do first before following Jesus? (21) What does Jesus' reply mean? (22) What does this teach us about priority in following Jesus? (Give practical examples.)
3. What happened while they crossed the lake? (23-24) How could Jesus sleep in this moment of distress? How did Jesus respond to their desperate plea? (25) What was the disciples' problem? (26) In light of this event, who is Jesus? (27) How can we overcome our personal storms of life?
