

Walking By Faith

Matthew 14:22-26

Key Verse: 29

1. Why did he send his disciples to the other side of the lake? (22) What might have been Jesus' motivation to pray in solitude? (23; Mt:14:13; Jn 6:15)
2. Describe the disciples' difficulty along the way. (24) What does Jesus walking on water imply? (25) How did the disciples see him? (26) What does this show about them? What did Jesus say? (27) How do Jesus' words comfort us?
3. What did Peter request? (28) What does this reveal about his desire? At what point did Peter begin to sink? How did Jesus address his problem? (31) What can we learn about the nature of faith? (Heb 12:2; 2Co 5:7)
4. How did the disciples' view of Jesus change? (32-33; Mt 8:27) What happened when they crossed the lake? (34-36) What does their healing show about Jesus?
