### 2 Timothy 3:10-4:5

#### Key Verse: 4:2

1. How did Paul's life contrast with false teachers? (10-11) How do Paul's persecutions apply to all sincere Christians? (12; Acts 14:22) What are examples of false teachings today? (13)
2. How did Paul encourage Timothy to continue to study the Scriptures? (14-15a) What did Paul say is the unique quality of Scripture? (15b) What is the nature of the Scriptures? (16a; 2 Pet 1:20-21) How do they equip Christians? (16b-17)
3. How did Paul preface his charge to Timothy? (4:1) What can we learn from this? What was Paul's supreme charge? (2a) How does all Scripture point to Jesus? (Jn 5:39; Col 1:28) What does it mean to "preach" the word?
4. How can we "be prepared"? (1 Pet 3:15) What does "in season and out season" mean? Why is it important to "correct, rebuke and encourage"? What does "with great patience and careful instruction" mean? Why is the ministry of God's Word so important today?
5. What did Paul foresee? (3-4) In such times, what did he tell Timothy to do? (5)
